STEP 1

Find a solid group to join. You want a group with great engagement so we suggest groups that have at least 10 posts per day or more.

STEP 2

Make friends with the admin of the group by sending a friend request and private message. Say hello, introduce yourself and confirm that it's ok for you to post ads in the group. This is also a great way to indirectly share B-epic and THEY just may decide to try the product themselves.

STEP 3

Provide value. Make comments. Help answer questions that people may have. Tell stories.

STEP 4

Start a discussion, post the ad and upload the picture.

STEP 5

ATM!! (Add, Tag, Message)

****** When you begin getting a lot of comments requesting for information, ask them to... "please inbox me details." If you send too many links out without first becoming friends, you risk going to FB Jail.

What To Say When Someone Responds To Your Weight Loss Post –

Hi (Name of Prospect)!

Thanks so much for commenting on my posts (for inboxing me).

I am so excited to see you're ready to take your weight loss goals seriously!

Let me ask you a quick question . How much weight do you wanna lose? How fast do you want to lose it? (Wait For A Response)

Okay, Awesome! We definitely have a product pack that is perfect for you and your goals.

My client's have been so excited because this specific pack has been helping them lose on average 3 to 5 lbs per week and sometimes even more.....Naturally? Many are losing inches around their waist as well!!

I don't know about you but I don't like to inquire about something and then find out the price much later so I'm gonna tell you the price up front. The package I'm going to suggest for you is called the B60 Transformation Pack. It costs approximately \$3 per day or \$189.95 for a TWO month supply of THREE products and you will also receive an eating plan, daily workout videos and access to our community for support.

I am going to ADD you to our private customer FB community called 100% EPIC, so you can see some of the incredible results that people are having and I'm going to also TAG you in quick video that you can watch to get a better understanding of how the program works. Is that cool?

What To Say When Someone Responds To Your Business Opportunity Post –

Hi (Name of Prospect)!

Thanks so much for commenting on my post. I hope you are having an amazing day! I appreciate the love on my post :-)

Let me ask you a question, would you at all be open taking a look at what my team and I are doing to make money(ex: we make \$50 on a \$99 product sale) from our phones? If not, no big deal ;)

IF YES: Ok cool! You can go to **www.BuildEpicWealth.com** (password: EPICIMPACT) and watch the first 6 minute video. If it grabs your interest I would highly suggest watching the zoom on there also because there are some incredible testimonials that I'm sure you will love. There are some amazing testimonials!

I will follow up with you in a few days to get your thoughts if that's ok with you :-)

NOTE: ➡ *When you follow up using the scripts on the document “How To Follow Up and Close”, that is the better time to consider adding someone to the FB Group 100% EPIC. We have found it's easier to show the BUSINESS using the 6 min. video presentation BEFORE adding them to the group.*
